

What Next?

A person in winter gear, including a white helmet and dark jacket, stands on a snowy mountain peak. They are looking out over a vast, layered mountain range under a clear blue sky. The person is holding a ski pole and has a backpack on. The scene is brightly lit, suggesting a sunny day.

- Strengthening ties with environmental activists on campus
- Website developments
- Negotiating with local and national gear vendors
- Budget management
- Gear purchase and maintenance
- Film festival and speaker series
- Teaching courses and leading trips

White Mtns, NH, Spencer Gray

Winter School 2010

- FIRST RUN:
 - How did it go?
 - What can we improve?
 - Want to help?
- Survey evaluation coming
- E-mail us! Shout out!

Yale Outdoors Umbrella

- Winter School was *only* possible because we started acting like an umbrella outing club
 - Sharing knowledge: different leaders' experience
 - Sharing the work: distributing lectures
 - Access to funding: \$20,000 raised in private donations last fall alone
 - Access to vehicles

Wind Rivers, Wyoming, Spencer Gray
